Using Your Braun Contour Epilator: A Step-by-Step Guide

Before you begin, ensure your Braun Contour is fully charged (if cordless) and that you have the appropriate attachments ready.

3. **Proper Technique:** Hold the epilator at a 90-degree angle to your skin, and move it slowly and steadily in the direction of hair growth. Avoid pressing too hard; let the device do the work. Avoid going over the same area repeatedly.

5. **Post-Epilation Care:** After epilation, apply a soothing lotion or cream to calm any irritation. Avoid harsh soaps or fragrances. Avoid direct sunlight exposure on epilated skin.
